

TeacherTube

What is TeacherTube?

TeacherTube is a website where you can:

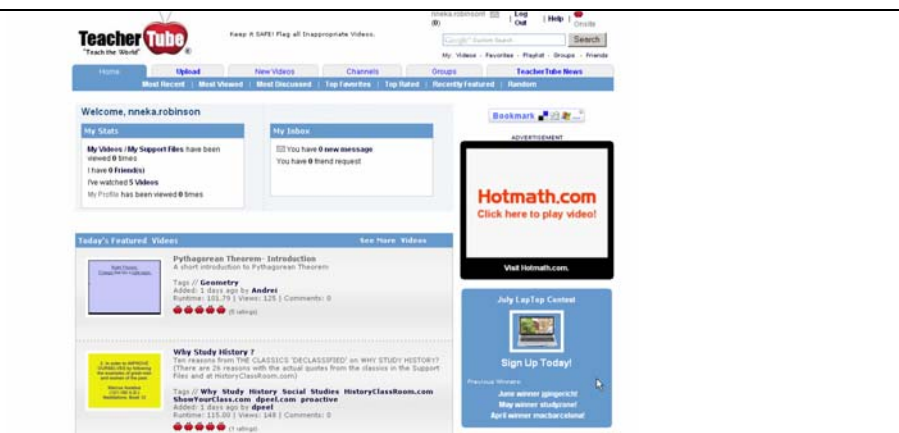

- Publish classroom-created videos (teacher & student content) for free.
- Upload, tag (add keywords) and share classroom-created videos worldwide.
- Integrate TeacherTube videos on your website, blog, or wiki (your own and others').
- Browse hundreds of K12-appropriate videos in a variety of subject areas uploaded by educators around the world. Share videos with students and peers.
- Make videos public or private - users can elect to broadcast their videos publicly or share them privately with those they invite.

Uploading video files to Teachtube.com

Visit www.teachertube.com

If you don't have an account click **FREE Sign Up** to create one.

Log in to your account to upload a video.

Uploading a video

(Please note: videos must be in **WMV, AVI, MOV, MPG, MP4** and **FLV** file formats.)

To upload a video click **Upload**.

Before you upload please fill out the **Title, Description, Tags** (one word descriptors) and select 1-3 **video channels**.

Click **Continue**.

A screenshot of the 'Video Upload (Step 1 of 2)' form. The form includes fields for Title, Description, and Tags. Below these is a 'Video Channels' section with a list of checkboxes for various subject areas. Annotations with arrows point from the text in the left column to specific parts of the form: 'Upload' points to the 'Upload' tab; 'Title, Description, Tags' points to the corresponding input fields; and 'Continue' points to the 'Continue ->' button at the bottom. The 'Video Channels' list includes options like 'College/University', 'High School', 'Middle School', 'Student Products', 'World Languages', 'TeacherTube Tutorials', 'Fine Arts', 'Career and Technology Education (CATE)', 'Physical Education', 'Science', 'Social Sciences', 'Writing', 'Elementary' (which is checked), 'Professional Development', 'Reading', and 'Math'. A note at the bottom states: 'Select between one to three channels that best describe your video. It helps to use relevant channels so that others can find your video!'.

Click **Browse** to locate your saved video file.

(**Please note:** videos must be in **WMV, AVI, MOV, MPG, MP4** and **FLV** file formats.)

Select the file and click **Open**.

Check an option to make your video **Public** or **Private**.

Click **Upload Video**.
